

GWASANAETH 694

Yn anffodus ni fydd y gwasanaeth hwn yn gweithredu ar ôl dydd Sadwrn y 6ed o Fawrth 2010 oherwydd cynydd yng nghostau gweithredu a cholledion ariannol i'r cwmni.

Rydym wedi gofyn am gymhorthdal ariannol pellach oddiwrth Adran Drafnidiaeth Cyngor Gwynedd i gyfarfod a'n colledion ond oherwydd cyfyngiad cyllidol nid yw'r Cyngor mewn lle i ddarparu cymorth.

Rydym yn ymddiheuro am unrhyw drafferth mae hyn yn creu i chwi, ond yn anffodus nid oes gennym unrhyw ddewis gan i'r gwasanaeth weithredu ar golled i'r cwmni.

## **SERVICE 694**

Regrettably this service will not operate after Saturday the 6<sup>th</sup> of March 2010 due to increases in the cost of operation and unsustainable losses to the company.

Further financial assistance has been sought to meet the losses made on this service from Gwynedd Council's Transportation Department but unfortunately due to budget constraints the council are unable to assist.

We apologise for having to withdraw this service, but unfortunately we do not have any alternative as the service is operating at a financial loss to the company.
